ENGAGEMENT & DELIVERY

A tailored delivery approach

Information for an initial discussion

Project location and stage; customer or community need; proposed parties; requested role; estimate and funding status; decision deadline.

Evidence for a tailored response

Review area	Evidence to establish
Need and fit	Customer requirement, needs assessment or other source evidence
Delivery arrangement	Named performers, resources, schedule and acceptance criteria
Economics	Supported estimates, funding conditions and ongoing costs
Authority	Applicable project approvals and executed agreements

Structure the performing team

Identify the entity responsible for each task, the proposed people and resources, relevant credentials, schedule and acceptance criteria. Attribute experience to the organization or personnel that performed it. Confirm availability and proposed commitments for this engagement.

Confirm scope and authority

A tailored proposal should establish the permitted scope, required approvals, commercial terms, reporting and change process. Any offer or performance commitment requires the applicable authorization and written agreement.

Credentials and procurement eligibility

Use the current registration record and exact opportunity requirements. Indian Economic Enterprise eligibility is opportunity-dependent. SBA 8(a) is not presented as active certification. This profile does not assert an unverified contract vehicle, clearance, owned fleet, facility capacity or specialist certification.
