PROCUREMENT-READY COMMODITY PLATFORM

Buyer-ready collateral for disciplined commodity procurement.

Commercial notice: Availability, specifications, origin, inspection scope, certifications, pricing, freight, Incoterms, payment structure and delivery schedule are confirmed through the applicable RFQ, due-diligence and contracting process.

CORE CAPABILITIES

A focused commercial platform built around buyer requirements.

Wakaga organizes product specification, source validation, documentation, logistics and accountable buyer communication through one relationship.

01

Commodity Sourcing

Current lanes and development paths across food, agriculture and related inputs.

- seafood, coffee/cocoa, sugar, produce
- protein, grains, packaged foods, inputs

02

Procurement Readiness

Commercial and public-sector engagement supported by supplier-diversity and federal-registration credentials.

- SAM.gov registered
- NMSDC Certified MBE

03

Quality + Documents

Specification, inspection expectations and transaction records are organized around the RFQ.

- controlled document release
- buyer-defined evidence

04

Logistics Coordination

Routing, Incoterms, cold-chain/container planning and milestones are addressed transaction by transaction.

- origin to destination
- clear responsibility

Wakaga does not substitute credentials for execution. Product, price and availability are confirmed through the applicable sourcing and contracting process.

CREDENTIAL SNAPSHOT

Ownership and procurement identifiers support buyer screening.

Credential presentation is designed to help a buyer understand the relationship without implying agency endorsement.

ENTITY + SUPPLIER DIVERSITY

- 100% tribally owned by the Wakpamni Lake Community, a municipal tribal government of the Oglala Sioux Tribe.
- NMSDC Certified MBE - Certificate WS100001482; expiration 08-31-2027.
